CFAC claimed confidentiality on their entire response. ARCO did not.

Hi Rob,

I was wondering if you could have the person(s) compiling the records received from the PRP look specifically for the following report:

Hydrometrics, 1985. Hydrogeologic Evaluation, Columbia Falls Aluminum Company, Columbia Falls, Montana.  
September 16, 1985.

This would be really helpful for the Groundwater section that is due Wednesday, so if you can get it to me as soon as possible that would be greatly appreciated, assuming you have it of course.

Thank you,

*Natalie Quiet*
